

TALBOT COUNTY RETIRED SCHOOL PERSONNEL ASSOCIATION

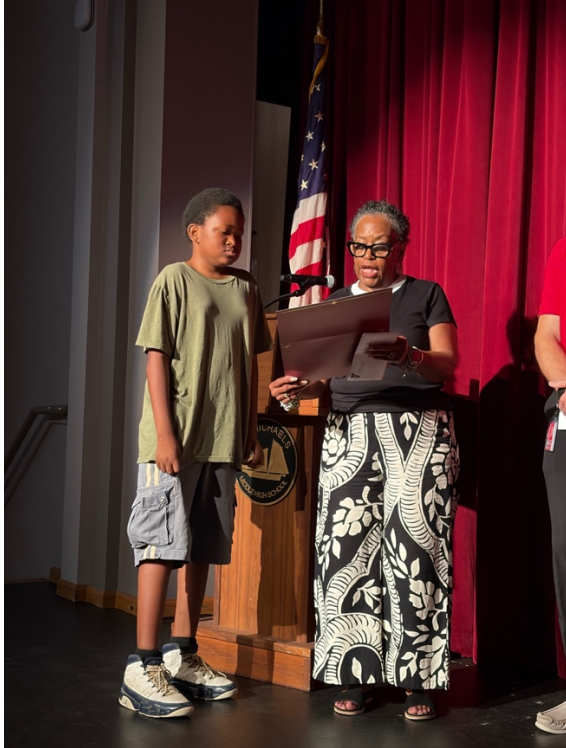

Dear TCRSPA Members,

It is good to welcome all of you back to the busy year ahead. We have 5 new members joining our organization, welcome Jeff Bell, Ed Keeler, Daine Jester, Sandy Stinton and Steve Wilson. We can't wait to introduce you at October's luncheon. Detailed information about the luncheon is located on the last page of this newsletter.

Our June Annual Meeting and Luncheon was well attended and very festive. Our new officers were sworn in by are Regional Rep, Debra Chance. Sherry Sutton is continuing to. serve as President, Tonya Hayman remains our Vice President, Patrick Johnson is our new Treasurer and Eunice Jenkins joins us as our new Secretary.

At the luncheon, Pat Clark presented the
Memorial Book Award to Katie Fox from

Tonya Hayman reported that our Martha Green Grant went to a St. Michaels Middle Student and paid for a YMCA membership running from June to March.

Peggy Ford hosted our Teacher Academy Award recipient and presented Easton High graduate, Ella Ball, with her award.

Executive Meeting Updates

Much discussion took place about the format of our budget and the state of our current finances. This information will be presented to you at the October Luncheon and General meeting. As our membership fees are coming in from the State organization, we seem to be on pretty good shape for the year.

There were two motions that were passed unanimously by the Executive Committee members.

1. The Martha Green Summer Enrichment award will now be an award for a year long YMCA membership to a St. Michaels Middle and an Easton Middle student

each year. The price of summer camps has risen drastically since the inception of this program, We can give a full year of a student membership which entitles the student to attend everyday afterschool and in the summer for just a bit more than (\$39.00 per month) one week of a summer camp. All sixth graders currently receive a Y membership free of charge. So the award would go to a seventh grader chosen by the Guidance counselors at each school. The award will be paid for by taking half of the cost out of our local budget and 1/22 of the cost from our encumbered Martha Greene funds which now amount to over over \$2000.

2. Peggy requested that the Teacher Academy Grant be increased to \$1000, half to be paid from the local budget and half from the Teacher Academy encumbered funds which now equal more than \$1000. The motion carried. Discussion took place suggesting that the checks be sent directly to the student's account at the college of their choice.

Liz announced that the Fine Arts Grant will be awarded to the Band director at Easton Middel School, Sarah Urry Booth, at next month's Luncheon.

The meeting ended with the formation of a nominating committee. Peggy is willing to cop-chair and Tonya will serve . We are looking for volunteers for fill out the committee. We are also looking for someone who is willing to help with the newsletter. Please contact Sherry at 410 924 8110 if you can help with either of these projects.
